## It's The Same Old Story

An average rate reduction of 20% on auto and truck insurance was made effective by the Alabama Farm Bureau Mutual Casualty Insurance Company on May 23rd.

\* It's The Same Old Story since the Farm Bureau Fire Insurance Company reduced its rates approximately 16% and in addition is paying a 12% dividend for renewals.

\* It's The Same Old Story -Since the Farm Bureau Life Insurance Company is now paying approximately a 10% dividend

\* It's The Same Old Story -Since the other well established Farm Bureau Companies are effecting a savings on auto, fire and life insurance to their policyholders because they are a select group of people.

WHY DON'T YOU ENJOY THE SAME SAV-INGS BY PLACING YOUR INSURANCE WITH THE FARM BUREAU COMPANIES?
